LOOK OUT, GOTHAM, HERE COMES A NEW DARK KNIGHT!
Discover the origin of the new Dark Knight, Tim “Jace” Fox! The estranged son of billionaire Lucius Fox returns to Gotham City and takes on the mantle of Batman after being away for years. Where has the eldest son of one of Gotham’s premier families been for these “missing” years, and how did he become Gotham’s new protector?

The prodigal Fox returns home following the tragic events of The Joker War and Lucius Fox taking full control of the massive Wayne fortune. While his mother and sisters greet Jace, his younger brother, Luke, secretly the armored vigilante known as Batwing, does not welcome his sibling back with open arms. Is the city big enough for two Fox brothers? Find out how Jace evolved from man of mystery to Gotham’s newest guardian.

Curtis Metcalf was the brightest shining star of Alva Industries, a brilliant scientist mentored by Edwin Alva since childhood...until the failures of Alva technology at the “Big Bang” disaster threatened to destroy the company, and Alva needed a scapegoat. Now Curtis is on the run from the Dakota police department...but a man as smart—and paranoid—as Curtis takes precautions. With a nearly indestructible suit of armor and remarkable inventions that he never handed over to Alva, Curtis stands determined to do much more than clear his name...he's going to take the fight back to Alva himself!

Writer Brandon Thomas (Future State: Aquaman, Excellence) is joined by Hardware's co-creator and Milestone founder Denys Cowan to open a legendary new chapter in the story of the Milestone Universe’s most complicated man! Is a better world on his mind? Or just a world built for him?

To win back her brother’s soul from Hell, Mary Locke has done the unthinkable: she’s seized control of the imprisoned Dream Lord’s artifacts of power and crossed over into his place of power, the Dreaming! Unfortunately, she’s managed to find herself in the middle of a war for the future of the kingdom, led by none other than the monstrous Corinthian…and even if she can survive that encounter, the road to Hell ends in locked gates guarded by Etrigan the Demon and the all-powerful Lucifer himself! Of course, the Locke family has always had a knack for making keys…

The second and final chapter of DC and IDW’s critically acclaimed crossover saga will change the way readers see the worlds of The Sandman and Locke & Key for years to come—for fans of either title, it’s absolutely unmissable!
Step back into the Gotham of Tim Burton’s seminal classic Batman movies! "Batman '89" brings in screenwriter Sam Hamm ("Batman," "Batman Returns") and artist Joe Quinones ("Dial H for Hero") to pull on a number of threads left dangling by the prolific director. Gotham becomes torn in two as citizens dressed as Batman and The Joker duke it out in the streets. As D.A. Harvey Dent tries to keep the city together, he targets the one problem tearing it apart: BATMAN! And he’ll get Bruce Wayne’s help in taking down the Dark Knight!

What happens when an indomitable force meets an irritating object? That’s what readers find out when Superman runs into Lobo. Think of it like a boy scout joining a biker gang. What will be worse, the damage Lobo causes on his own, or the chaos of trying to stop him? I smell a team-up, fanboys!

Numen is the most popular being in the universe, a god clogging all social channels. And he does not like competition. This means Superman and Lobo must go. Further complicating things is Dr. Flik, a scientist determined to study the last sons of Krypton and Czarnia respectively. What can she glean from the hero who lost everything as a baby and the bad, bad boy who made it all go away just for the heck of it? From writers Tim Seeley and Sarah Beattie the team behind the indie hit Money Shot and Punchline artist Mirka Andolfo comes a hilarious new superhero epic!
Batman Secret Files: Clownhunter #1

Now all they need to figure out is what exactly happened. Fortunately, one suspect is willing to talk. Unfortunately, it’s The Joker. Now, superstar writer Matthew Rosenberg, magnificent artist Jesús Merino, and a multitude of rising-star artists invite you to spend a night in the Gotham Central interrogation room for a dozen tales of murder, mayhem, and mystery as told by the Clown Prince of Crime himself. Can you solve this puzzle before the sun comes up?
Pennyworth #1

Spanning the years between the hit TV show and today, Pennyworth tells the continuing adventures of Alfred Pennyworth as an MI6 counterintelligence agent—this time in Cold War-era Soviet Russia. When Alfred and his partner receive intelligence that nuclear weapons are being manufactured near the Arctic Circle, they’re off to infiltrate the remote military base to learn more. But things don’t go exactly as planned, and the ramifications of this mission may be more far-reaching than anyone could have guessed, as our present-day butler gets dragged back into his past...

Aquaman 80th Anniversary Special #1

After defending the seven seas for eight decades, it’s time to throw Aquaman a party! This all-star-filled anthology spans across the ocean king’s legacy, not just celebrating his own triumphs, but also those of his greatest allies and enemies. We look at his ongoing romance with Mera, his bitter rivalry with Black Manta, his brotherly conflict with Ocean Master, and the inspiration he lends to younger heroes like Tempest and Jackson Hyde, the newest Aqualad.

It would not be an Aquaman celebration without also looking at how he’s changed over the years, including a brand-new tale of Bombshells Aquaman.

This special brings together Aqua talent past, present, and future, including reuniting fan-favorite creative teams such as Geoff Johns and Paul Pelletier, Dan Jurgens and Steve Epting, alongside Dan Watters and Miguel Mendonça. Plus, two of the stories are prequels to two new Aquaman miniseries launching in September, kicking off another 80 years of undersea adventure!
The epic epilogue to the Archive of Worlds saga! In his pursuit of perfection, the godlike Auteur.io sought to create and destroy worlds with the wave of a hand and a flair for the dramatic. But against all odds...the World of the Knight and the World of Tomorrow live on! The Batman of the noir-tinged streets of Gotham City finds himself stranded in the sunny, retro-futurist World of Tomorrow—and Superman discovers himself in the opposite predicament. With their homeworlds in decay and only one chance to save them, the key to preserving their very existence is but the flip of a coin. Or the flip of this book!

This special flip book is two times the story, with one full comic on one side and one full comic on the other, meeting in the middle! Follow Superman’s journey on one side of this epic flip book annual, and turn the adventure over to crusade with the Batman and his trusty sidekick, Robin!
Once an agoraphobic scared to even leave her room, Jessica Cruz overcame her fear to become a Green Lantern and face the darkest and deadliest threats in the universe. But now, Jessica’s gone from overcoming fear to using it as a weapon. When Yellow Lanterns attacked the Green Lantern Sector House she took refuge in when the Central Power battery was destroyed, Jessica turned the tables on them, giving them something to be afraid of, as she beat them one-by-one. But now that she’s been offered a place in the Sinestro Corps, will she accept?
Kevin here! You know, Harley’s sidekick, and your favorite new character? I know Harley usually does these solicits, but she’s a little tied up at the moment. Like, literally. See, there’s a new villain in Gotham calling himself Keepsake, and you know how Gotham villains are: definite psychological issues. So Keepsake kidnapped Harley, while trying to convince her to be his partner and help take over the city. Now, I don’t mean to imply that Harley’s not capable all on her own, but this time she needs a little help. Which means I’m teaming up with Solomon Grundy so we can visit Gotham’s worst criminals and figure out where Harley might be. Plus, a major new Bat-villain!

Everyone questioned how the teen calling himself Conner Kent came to be recruited into the Suicide Squad by Amanda Waller. But as Superboy sneaks into the bowels of a top-secret Task Force X black site, what he finds changes all he thinks he knows about himself and his history. This oversize annual alters everything for the only hero on the Squad and makes him question what to do next, now that he knows the truth behind his origin.
Midnighter 2021 Annual

The big finish to the adventure starting all the way back in the conclusion of Future State: Superman: Worlds of War. Midnighter traveled into the future to help get himself out of a jam, only to swap places with his future self. Now, the Midnighter from the future finds himself trapped in a paradox, working his way back to his onetime present to swap places again. Don’t worry if you’re confused—so is he!

The key to this whole thing is Andrej Trojan, the nefarious industrialist who tried using Superman’s mission on Warworld to his own end. Midnighter has been carrying Trojan’s robotic skull with him, hunting for the 2021 iteration of the man, and shutting his whole company down before any of this trouble even starts. Finishing the serial, which runs in the back of Action Comics, this time-travel escapade also leads into Superman and the Authority!

The classic story that inspired the feature film! Offered again with a new cover!

Faced with a rising tide of meta-human crime and terror, Amanda Waller, the hard-headed director of a secret government program designed to neutralize super-powered threats called Task Force X sold the President on her vision: a covert action team composed of incarcerated super-villains who earned time off their sentences for every mission they completed. Deniable, disposable, and deployable to any spot on Earth, this Suicide Squad would be the perfect weapon of last resort—as long as they could be kept under control.

Crafted by acclaimed creators John Ostrander and Luke McDonnell, this volume collects the first eight issues of the team’s legendary 1980s title as well as their updated history from Secret Origins #14.

When the Suicide Squad is assigned to neutralize a group of international super-terrorists known as the Revolutionaries, the last thing they expect is for the survivors to join the team! Who can Squad veterans Harley Quinn and Deadshot trust when their new teammates are the very people they were sent to kill? This crew could survive the mission, but they might not survive each other—so don’t get attached.
To Damian Wayne, there is nothing more important than protecting the streets of Gotham City as Robin. But when he makes a critical mistake while out on patrol, Damian finds himself benched. And what’s more, Damian’s dad, Bruce Wayne—a.k.a. Batman—decides that starting over in a new school will be just the distraction Damian needs from his superhero routine.

Certain that Gotham Metro Academy has nothing to teach him, Damian is completely unprepared for the challenge he finds in Howard—the smartest and most athletic kid in school. The boys’ rivalry is instantaneous and fierce...and both are sure only one of them can be the best in their class.
ROBIN!

You can’t blame Batman for being a little worried about me.

After all, he is my dad.

Did you hear something?

Would you like me to accompany you to the office? I’ve got it, Alfred.

Very well, Damian. Have a good day! See ya.

I can already tell this is going to be an awful day.

A new kid? I bet he’s nervous...

I’ll try to be his friend.

MEANWHILE...

Howard thinks he’s a lot better than he is.

Damas is a showoff.

This school is huge. I can hide in the utility closet.

Someone’s here! That hat... is it the Riddler? He’s coming this way!

I’ll blend into the shadows...

Did-did he just lock the door?

NUTZES!

Argh, kids! That’s all for today!

Good game!

Teen Titans: Beast Boy Loves Raven FCBD Special Edition

Kami Garcia and Gabriel Picolo continue their New York Times bestselling Teen Titans series and give readers the romantic meet-up we have all been waiting for!

It seems like years, but it’s only been a few days since Raven Roth recovered her memories; trapped her demon father, Trigon, in her amulet; and had her heart broken for the first time. Garfield Logan still can’t believe he has powers that allow him to change into different animals, but the price of knowing that his parents kept this secret hidden from him just feels too high.

Both are seeking answers from the one person who seems to have them all figured out: Slade Wilson. When their paths converge in Nashville, Raven and Gar can’t help but feel a connection, despite the secrets they both try to hide. It will take a great amount of trust and courage to overcome the wounds of their pasts. But can they find acceptance for the darkest parts of themselves? Or maybe even love?

This special edition features a chapter from the upcoming original graphic novel.
The Batman creative team of James Tynion IV and Jorge Jimenez take their epic run to the next level. Gotham City is on the brink of a violent evolutionary path and the danger level to Batman and his allies reaches a fever pitch. The Magistrate now have full support from the mayor to handle high level law enforcement in Gotham and have branded the Dark Knight as Enemy #1. Plus, the Scarecrow has his own terrifying agenda as he takes this chaotic moment to launch his master plan. This is the first look at the epic FEAR STATE event that runs across the Batman titles beginning this Fall.

The new Dark Knight, Jace Fox has arrived in this sneak peek of the upcoming I AM BATMAN series written by Academy Award-winner John Ridley with stunning art by Travel Foreman. Fans will get a taste of this blockbuster storyline starring the next Dark Knight.

Now the Dark Knight’s search for clues has him tracking The Joker. But wouldn’t it be funny if the mysterious creature stalking Gotham got to the Clown Prince of Crime first?
Batgirl sets off on the warpath after she learns Jimmy “The Jazzman” Peake is free and back out on the streets. She’ll do anything to capture him again especially after what Jazzman did to her father, even if it means disobeying Batman. But can she capture the criminal before he’s taken by another mysterious vigilante hitting the scene?
Red Hood: The epic “Cheer” story line reaches its conclusion, and Red Hood’s alliance with Batman will be forever changed. Will the former Dynamic Duo get the Cheerdrop drug off the streets for good? Or will they forever be at the mercy of the villain who created it? And will Red Hood find a new home for Tyler, the boy he’s sworn to protect?

Tim Drake: Tim Drake is in the den of the Chaos Monsters with the other kidnapped teenagers of Gotham City. In order to free himself and the other teens, Tim will have to embrace help from his friend Bernard and hear something about himself he never knew. A brand-new chapter of Tim Drake’s life starts here, and you won’t want to miss it!

Black Canary: Oracle locates some Batman weaponry, missing since The Joker War, and calls in her old friend Dinah Lance to help retrieve it! Fists will fly, the Canary will scream, and a stunning new mission begins. The ending will leave readers in shock and awe!

Zealot: The HALO Corporation sent their top field agent, code name Zealot, to hunt Maxwell Lord. But the villain has a guardian angel in the form of...Wonder Woman? A throwdown for the ages will ensue!
When Batman begins to doubt Catwoman’s allegiance, it leads to trouble on the streets of Gotham. Who does Selina support: Joker, Phantasm, or the Dark Knight? Well, he’ll soon find out that some questions are better left unasked. If he’s going to test her loyalty, she’s going to test his mettle. Thus, Bruce Wayne finds himself locked in a bank vault with the Gotham PD knocking on the door!
The dimension-shattering Archive of Worlds saga ends here—and reverberations from this titanic tale last long after the dust settles! As the Dark Knight and the Man of Steel work to halt the villainous Auteur.io’s plan here on Earth-0, the Batman and Superman of their respective archive worlds must team up with Alanna of Rann and El Diablo himself to save what’s left of their homes. Etrigan and his demon hordes rain Armageddon down on their pocket universes—and the fate of the World of Tomorrow and the World of the Knight hang in the balance!
Blue & Gold #2

Who needs the Justice League anyway? Our heroes certainly don’t! After a painful rejection from the DC Universe’s team of a-list heroes, Booster Gold and Blue Beetle strike out on their own. Thanks to the Kord Industries fortune, anything is possible for this dynamic duo...right? Little do they know, an alien assassin seeking revenge places Blue and Gold in her crosshairs, and The Omnizon never misses!

The Magistrate comes to Gotham, and Alleytown stands as the last place in the city untouched by their totalitarian forces. But being the last bastion of freedom in a police state makes Selina’s kingdom most inviting for Gotham’s rogues! Surrounded on all sides by law enforcement gone bad, and facing a potential invasion by the city’s villains, Catwoman finds herself fearing that her quest to keep Alleytown safe could instead lead to its demise...but all is not lost, as Batman arrives in Alleytown, breaking his and Selina’s vow to give one another a one-year break.
Hey, Aquaman, what’s kraken? As the guardian of the deep finds himself in the clutches of a gigantic underwater baddie courtesy of the deadly Doom Scroll prophecy, the Super Sons stand ready to assist! Then, picking up where the story left off earlier in the series, Superboy and Robin have been rescued from the clutches of some truly wicked spells by their new ally, Rora. As Rora rushes to help the boys return to the present, their pursuers close in and prepare to attack—and Vandal Savage and Felix Faust are one deadly duo who mean business!
All-new story! As the super-spies try to keep Leviathan from getting its hands on the Heroes Network, Lois Lane does her best to get to the bottom of the new truths in front of her. Meanwhile, her husband—the Man of Steel—has had just about enough of Leviathan.

That’s right, finally! The man behind the rise of Leviathan, Mark Shaw, and Superman clash! Plus: Who is Mr. King really? Guest-starring Robin and Talia al Ghul! And Superman.
Look, up in the sky! It’s a bird! It’s a plane! It’s...Ultragirl? That’s right, folks, Kara Zor-El of Earth-3 arrives, and it’s far from a happy family reunion! Can Ultraman take his cousin down and reclaim his place as the true last survivor of Krypton?

Meanwhile, on a hidden island in the Pacific, Emerald Knight must finally decide: Will he stand with the Legion of Justice? Or will he give in to the Crime Syndicate?

Don’t miss out on the shocking finale that shakes Earth-3 to its core!
What’s a girl supposed to say when she finally comes face to face with her murderous father in space prison? Crush better hurry up and figure it out, because all Lobo wants to talk about is...his feelings? Gross! But maybe the Main Man really did change his stripes. Maybe group therapy with the other inmates really worked. Maybe this isn’t all just some elaborate ploy Crush hasn’t quite figured out yet—

Aw, c’mon. You’re not actually buying this therapy crap, are you?
Jessica’s dizzying descent into madness continues as she finds herself dealing with an act of violence she has no recollection of committing. To make matters worse, a crushing sense of isolation and paranoia drives her to the brink. Now, nearing emotional collapse, Jessica finds herself coming to terms with the terrifying reality that these ever-worsening events may not be the product of her deteriorating psyche, but of something else…something inhuman.

Then, join us for a third terror-inducing tour of the Warrens’ haunted artifact museum and witness the spine-tingling origin of the accordion monkey by the dream team of Tim Seeley and Kelley Jones!
As Gotham’s Dark Knight of vengeance, Batman is seen by many (mostly criminals, let’s be honest) as judge and executioner of the city’s vilest villains. Well, it’s time for him to meet the Jury! In a last-ditch effort to avenge his daughter’s death, Mr. Worth has teamed with the Penguin’s criminal empire, the Party Crashers gang, and the Falcone crime family to form the kind of villain team-up that would leave a Boy Wonder sweating in his booties.

Backup: Countdown to Task Force Z: Part One! Deb Donovan is on the trail of some weird happenings in Gotham...missing bodies from the morgue...tales of shady criminal activity the likes of which Gotham has never seen...and the person trying to keep her quiet is...Batman?
Batman rampages through the underworld of Gotham! Driven to a violent madness courtesy of the Jury’s “Vile” serum, the Dark Knight crushes bones, makes a scene, and gives costumed vigilantes in Gotham a very bad name. But will the Jury’s plan backfire? Can a violent rage-machine packed with money, weapons, and an insatiable bloodlust possibly end well for Mr. Worth and his Jury? That giant plunge from a building might be the answer...

Backup: Countdown to Task Force Z: Part Two! When Red Hood shows up in your apartment, you know you’ve done something drastically wrong. Jason Todd teams up with Deb Donovan to uncover the mysterious disappearances in Gotham, and their search brings them to the missing body of Bane! Look alive because death seems to be knocking at the door...

Detective Comics #1042

Batman gone mad!
“Hunt the Batman” continues as Punchline prowls Gotham searching for the one thing she needs before leaving the city forever! The only person standing in her way is a revenge-fueled Harley Quinn! And just when things couldn’t get any worse, the brand-new hero Hunter Panic comes for them both!
As Far Sector’s Jo Mullein begins to investigate the suspects most likely responsible for the destruction of the Green Lantern Corps, she winds up face-to-face with one of its greatest enemies—Sinestro. Was this the former Green Lantern’s plan all along? Did he destroy the Green Lantern’s Central Power Battery so his Sinestro Corps could take over the empty sectors of space? While Jo searches for answers, John Stewart attempts to fight his way out of the uncharted and unregulated dark sectors of space—with no ring to help protect or guide him. Searching for the other missing Lanterns, John realizes they may not all make it home.
Yer pal Harley Quinn back again! Now, there might be a lot of new faces in Gotham, but it’s always nice to see an old friend. Okay, so Catwoman explicitly asked me not to call her my friend, but I know she secretly loves me under that tough, broody, leather-clad exterior. You’re not gonna wanna miss this one as we tangle with those boring Magistrate goons in Alleytown like a real dynamic duo! I smash a lot of stuff with my bat, and Selina does a bunch of flips and awesome things with her whip. She’s so cool.

Who is the mysterious Xiomara? She’s an attorney with a unique set of skills... and if you’re Raquel “Rocket” Ervin, she’s who you want in your corner when the United States government comes knocking on your door, asking questions about your friendship with the all-powerful alien known as Icon! A secret identity doesn’t get you far when every intelligence operation in the world is hunting you...
President Superman finds himself in the wrong world, and it isn’t looking good. Bones and Chase attempt to stop super-powered heroes and villains from crossing Multiversal lines. If they can shut down the President of Steel, they think that it will serve as a signal to all to not mess with Earth-0!

This is only a distraction, however, as Injustice Incarnate begins to show them the worst the Multiverse has to offer, and only Flashpoint Batman is there to lend the heroes backup.

Roy Harper finds himself forced to do things on his own. He’s been through a lot since he was Green Arrow’s sidekick, and usually, the only person he can count on is himself. Hence, he’s hiding the fact that he’s back from the dead from his old friends. He comes across Jade, who has also been stranded by herself—can he help her while letting her help him? Because neither of them can handle Darkseid all by their lonesome.

Meanwhile, Barry Allen sends out a call: it’s time for all the heroes exploring the Infinite Frontier to come to the Omega Planet!
Justice League #66

The Hall of Justice has been invaded by the cosmic threat of the Synmar Utopica, and it will take the full force of the United Planets, led by Superman, to defeat it without destroying Earth in the process. Meanwhile, the secrets of Checkmate are being whispered among the Justice League, and that spells trouble for Green Arrow and Black Canary. All this, and guest star Deathstroke!

Meanwhile in Gotham, Batman stands watch as the Eternal Knight continues her quest through the maze of Randir Singh’s mind. And she’s not the only one lost within it! But where is the Justice League Dark in all of this? Under the sea in the lost city of Atlantis! Merlin is ready to rule, and it’s up to Aquaman and this band of magical misfits to save the entire kingdom!
It’s the Justice League versus the United Order as the truth that gives power to this new cosmic superteam crosses a line that the Justice League cannot allow. Will there even be a United Planets after this thunderous clash of intergalactic superpowers? Also, Green Arrow must come to terms with his responsibilities to both Checkmate and the League. Ollie may have to pick which path to follow, but what does it mean for the future of the League if the guy paying the bills has to bail?

The Silent School used their magic for years to protect Atlantis from all kinds of invaders, but nothing prepared them for the most powerful sorcerer ever…Merlin! Luckily, the Justice League Dark arrives to turn the tide of the battle. However, they’re not fighting at full strength. Zatanna is harboring a dark secret, and if she unleashes her magic, it could drown everyone!
Across the globe people begin disappearing, replaced with different but similar individuals. So where is Superman and who is this new monstrous Overman?! In order to get to the bottom of what’s happening, the Justice League will need to first take down the new villain! And what horrors are revealed in the twisted mirror room?!
The Justice League disbanded when their last mission went terribly wrong, and Martian Manhunter paid the ultimate price. But the team learns that time is a circle, and their last mission on Apokolips holds more than just the key to protecting a war criminal and completing their mission, it tells the story of how we lost J’onn…and why Superman holds Batman responsible!
At the turn of the 20th century, Gotham City’s most prominent businessmen were being murdered by a serial killer known only as the West End Wrath. Their cases were never solved. Over a hundred years later, Bruce Wayne comes into possession of a box of clues that will shine a light on who the West End Wrath was and what motivated the killings. But some people in Gotham want the secret of the murders to never come to light, including Oswald Cobblepot, a.k.a. the Penguin! The Penguin leads an all-out assault on Wayne Manor while Batman steps back into Gotham history to try and solve this cold case in what promises to be a stellar stand-alone issue from the rising-star creative team of Stephanie Phillips (Harley Quinn, Infinite Frontier) and Max Dunbar (Batman: Urban Legends).
Mister Miracle: The Source of Freedom #4

Shilo Norman is Mister Miracle no more! Left at his lowest point, Shilo's fame status and name are violently ripped away. The legacy of the Miracle mantle is shrouded in dark secrets, and now, Shilo wants answers. Brought before a mysterious figure, Shilo learns tragic truths about his past, present, and possible future. But can Shilo handle these truths and regain his powers before it's too late to stop N'Vir's plans?
It’s a fight for the soul of the city! Now that Dick Grayson has inherited more money than he could possibly need, he has an idea on how he can help the city with it—and it’s time for him to announce it to the world! But with Blüdhaven’s so beyond saving, what idea does he have that could possible save it? Meanwhile, an unexpected figure comes into play with a plan to buy the city (and all the power that goes with it) from Blockbuster. Things are about to get messy for new public figure Dick Grayson, but maybe he can enlist some help from his “friend” Nightwing!
Robin #5

RUMBLE OF THE ROBINS!
NIGHTWING! RED HOOD!
TIM DRAKE! SPOILER!
ALL VS. DAMIAN!

Robin reunion! Nightwing, Red Hood, Tim Drake, and Spoiler guest-star as they track Damian down with a plan to bring the young hero back to Gotham. Back to his family. But the son of Batman plans to win the Lazarus Tournament and refuses to return. What starts as a happy reunion quickly turns into a Robin rumble!
To solve the attempted murder, the detective on the scene must first solve an actual murder. Before Rorschach and Laura can carry out their ill-fated plan to kill a presidential candidate, they first have to find a way into his political rally. Once that detail is uncovered, the rest should snap into place—especially if it turns out that their inside man was part of the rival campaign. The only problem is that man is dead, potentially killed by the very people he was trying to help, and as everyone knows, dead men tell no tales. Thank goodness, then, that crime scenes do!

There’s only one more issue to go after this. Don’t miss out on one of the most intriguing comics of the year!
After being saved by the mysterious emerald warrior Jessica Cruz, the group starts to connect the dots with what’s going on around Remnant, and they learn the name of the creature behind everything! Finding refuge in Arthur’s home of Atlantis, the team formulates a plan of attack against the beast from beyond the stars and basks in one last night before the battle ahead of them.
After the Mystery Machine gets into a fender bender while chasing a phantom race car, the gang winds up in traffic school while their van is in the shop—only to come face-to-face with a mummy that is trying to scare this class into cancellation! Can the gang solve both mysteries before they are wrecked for good?
QUEEN BEE TAKES OVER THEMYSCIRA!

When Queen Bee hypnotizes the Amazons of Themyscira into aiding her plot to have women take over the world, Diana finds herself potentially in over her head with a deadly opponent who’s caught her off guard. Wonder Woman must rely on her strength and wits to take down Queen Bee, her “squad” of villains, and an army of Amazon drones!

Hell is full of temptations and distractions as Billy Batson searches for the missing Rock of Eternity, alongside his guide from Teen Titans Academy, the mystical and mysterious Dane. Earth’s Mightiest Mortal must face demons and would-be kings of the underworld. But even with the power of Shazam, Billy finds himself outwitted and outmatched, until Dane reveals a secret that will change his relationship with Billy and the new Teen Titans Academy forever.
The government believes the super-powered teenage “Bang Babies” of Dakota are out of control…and they’re too dangerous to be allowed on the streets! When his classmates start disappearing, Virgil Hawkins wants to do the right thing and expose what’s going on…but is there any way to do so without Static getting snatched up himself?

WITH GREAT POWER COMES GREAT RETALIATION!
Bloodsport’s first mission with the Squad goes pear-shaped as the Crime Syndicate captures Amanda Waller’s agent on Earth-3. By sending in a team to bring Bloodsport home, Waller may also be able to extract another Suicide Squad member for her new team, if she plays her cards right and doesn’t care who else she loses in the process. As part of the team heads into the Multiverse, Peacemaker gets a new assignment to track down and eliminate Levi Kamei—the new Swamp Thing!
After turning the tables on the Suicide Squad, The Joker gained control of the device that could detonate the bomb implanted in each of the team members’ heads. Now forced to do The Joker’s bidding, Red Hood, Harley, and the rest of Task Force X find themselves hunted by a newly formed Squad with a single mission: kill the previous Squad and take over hunting The Joker.
Supergirl’s journey across the cosmos continues! Her hunt to bring the killer Krem to justice brings her and the young alien in her care to a small planet, where they discover that there are still some very small minds, even on the outer edges of the galaxy. The cold welcome the locals give the Woman of Steel makes her suspicious enough to go looking for secrets they want to keep buried, and what she finds is nothing short of horrifying. Can she and Ruthye get off the planet alive now that these deadly sins have been exposed?
Clark Kent and Manchester Black continue to put Superman’s new team together, even though keeping Black in check seems like just as difficult a job as convincing the new recruits to come along. The pair hits different parts of the world looking for different types of heroes. While Midnighter, Apollo, and Natasha Irons only need to tie up some loose ends before getting on board, the Enchantress is going to be a little harder. Superman is going to have to set her free from a deadly illusion hell-bent on destroying her before she can help him save the universe.
Superman put the Authority back together, but why? What threat is out there that only this group can contend with? The Ultra-Humanite, of course! This fearsome foe is forming a team of his own, one designed to go fist-to-fist with the Authority. It will be their baptism in battle to prove if Superman is right that regardless of who we are, there is a hero lurking inside even the worst of us.

This penultimate issue is an important chapter in the new Superman mythos, helping to set up where Clark Kent goes next...and who he goes there with.
Superman Red & Blue #6

It’s the final issue of this free-form anthology, featuring the Metropolis Marvel in new stories, bedazzled in his signature colors. It’s the only place to see Superman chasing down headlines in a classic style and taking pause to reflect on growing up on a farm in Smallville. Not to mention, the return of Streaky the Supercat by superstar cartoonist Sophie Campbell (Teenage Mutant Ninja Turtles)!

When an entire town in upstate New York turns on the students of Teen Titans Academy, while the adult Titans are on a mission, Gorilla Greg, Chupacabra, and the other new students find themselves fighting for their lives against a chaotic mob. But is there something driving the town’s madness more than just intolerance?
When Bane kidnaps Ra’s al Ghul, only one detective can help the assassin’s daughter, Talia, track him down. But it’s not Batman or guest-star Huntress. It’s…Velma? Mystery Inc. joins the chase in a globe-spanning adventure!
On the loose and bent on destruction, Heatwave's return couldn't come at a worse time for Wally West. Now that the onetime Kid Flash has retaken the mantle of the Fastest Man Alive, he's also taken a new job at Mr. Terrific's Holt Industries. But all of that gets put on the back burner, when the Flash must outrace the flames of one of his greatest foes and figure out why the once-reformed rogue has gone bad again.
After barely surviving in the jungles of Belize, The Joker flees to Europe! Jim Gordon pursues the madman, but the seeds of doubt begin to sprout...if The Joker didn’t gas Arkham Asylum, who did? And what’s the next move for Vengeance, daughter of Bane?

Backup: Punchline’s takeover of Blackgate Penitentiary continues as her most insidious goal becomes clear: find a woman she used to call her friend in her college days and make her pay for her betrayal. On the outside, Harper Row tries to pull her brother, Cullen, back from the brink of Jokerized radicalization!
Walter’s “rules” for their getaway strongly suggested the residents not leave the property lines of the House…but how far do they go? It’s not like Sam, the Reporter, to leave a question like that unanswered…but what he finds when he walks the perimeter of the lake might turn out to be the story of his lifetime—however much longer it lasts!

Wonder Woman #777

Wonder Woman learns the hard way that fairies are never to be trusted when her promised trip home takes a sharp left turn in the Multiverse!

Welcome to Earth-11, headquarters of the Justice Guild. In this alternate version of Diana’s Earth, the Amazons of Themyscira imposed their law on the entire world, and the course of history was changed forever! Sounds like a dream afterlife for our hero, but Janus has somehow managed to poison this paradise. Dane of Elysium, a.k.a. Wonder Man, is on a violent rampage, and it’s now up to Wonder Woman to bring him in and clear her name!

Back on Earth-0, Young Diana learns the real story behind the creation of Paradise Island and the price paid for freedom. Will she ever trust the elders again? Or are the lies too much for the princess to handle?
Hot on the trail of Janus, Diana and her allies embark on a whirlwind adventure through the entire map of the Multiverse! Phantom Zone, Fifth Dimension, and Gemworld...oh my! Like the future, Janus’s path through space and time is unpredictable. Will Wonder Woman ever catch her? Or could this be the end of everything as we know it?!

The tale behind Paradise Island’s creation continues as Hippolyta’s greatest regret is revealed. Can Diana forgive her mother for the past? And what does this revelation mean for the future of the Amazons?
You’ve been waiting for a Wonder Woman series like this! Our celebration of Diana continues with talent from all over the world paying homage to one of DC’s most iconic characters. This time around, our hero struggles with the memory of a lost love, battles a cult, loses her lasso, and more! You won’t want to miss this issue packed with timeless stories, just in time for the Princess of Themyscira’s 80th anniversary!

Gotham’s feline femme fatale skirts the line between right and wrong. Selina Kyle is a dangerous criminal whose claws aren’t to be crossed, but she’s also the city’s Robin Hood, using her unlawful talents to help those in need. This rich contradiction has made Catwoman one of the most complex and compelling antiheroes in comics, and one of the most enduring villains in the Dark Knight’s rogues gallery.
A brand-new incarnation of the groundbreaking anthology series, celebrating its 25th anniversary! There is good. There is evil. And there will always be Batman Black & White. This incredible collection features stories digging into the entire Batman mythos: the Batcave, the Batmobile, The Joker, Poison Ivy, Two-Face, Jace Fox, ninja man-bats, and even Batmen of alternate worlds. All done by some of the best creators working in comics today, including James Tynion IV, John Ridley, Mariko Tamaki, Jorge Jimenez, Andy Kubert, Joshua Williamson, and more!
The 1950s was a decade of change for the Dark Knight Detective, one that introduced new friends—and foes! These tales include the debuts of Deadshot, future member of the Suicide Squad; the original Batwoman, Kathy Kane; Mr. Zero, who would go on to greater fame as the nefarious Mr. Freeze; the original Red Hood; and the pesky interdimensional pixie known as Bat-Mite. This was also an era of great inventiveness, with tales that revealed how Batman’s own father, Thomas Wayne, was once a Batman himself; how Batman became a Superman-like hero on the distant planet Zur-En-Arh; the secrets of Batman’s utility belt; and the introduction of an all-new Batmobile.

Collects *Batman* #59, #62-63, #81, #92, #105, #113-114, #121-122, and #128; *Detective Comics* #156, #168, #185, #187, #215-216, #233, #235-236, #241, #244, #252, #267, and #269; and *World’s Finest Comics* #81 and #89.

The bestselling creative team behind last year’s epic “The Joker War” returns for a thrill-packed, dangerous story line as “The Cowardly Lot” begins.

Is the new gang in Gotham connected to the resurgence of the Scarecrow? Meanwhile, Mayor Nakano meets with shadowy billionaire Simon Saint, who comes to Gotham to pitch the concept of an advanced law-enforcement project known as...the Magistrate!

It’s always darkest before the dawn, especially in Gotham City!
Arkham Asylum for the Criminally Insane is a place of dismal corridors and oppressive shadows—a dark riddle in stone and timber, best left unsolved. Within its claustrophobic walls, the demented and deformed enemies of the Batman brood in padded cells and unlit cellars, dreaming of a day when they might rise up and overthrow the world of reason. That day has finally come.

It is April 1, and the lunatics have taken over the asylum. Led by The Joker, Arkham’s inmates issue a terrible ultimatum to the man responsible for their imprisonment. The Batman must descend into this heart of darkness, confront his greatest foes, and face the truth of his own divided identity—or condemn himself to share their fate.

Written by legendary comics creator Grant Morrison and beautifully illustrated by artist Dave McKean, the timeless, genre-bending tale Batman: Arkham Asylum is brought back to its classic beauty in this deluxe hardcover edition, now with updated artwork lovingly restored by the artist himself!

In this explosive sequel to the critically acclaimed blockbuster Batman: White Knight, The Joker recruits Azrael to help him expose a shocking secret from the Wayne family’s legacy—and to run Gotham City into the ground! As Batman rushes to protect the city and his loved ones, the mystery of his ancestry unravels, dealing a devastating blow to the Dark Knight. Exciting new villains and unexpected allies clash in this unforgettable chapter of the White Knight saga—and the truth about the blood they shed will shake Gotham to its core! It all leads to the final battle of the Bats—Bruce Wayne versus Azrael—with the fate of the city at stake. Collects Batman: Curse of the White Knight #1-8 and Batman: White Knight Presents Von Freeze #1.
In the aftermath of The Joker War, Bruce Wayne has lost his fortune, has lost his home, and has begun losing the battle for the hearts and minds of Gotham City’s citizens. A groundswell of anti-vigilante protests pops up throughout Gotham, stoked by the mayoral candidacy of Christopher Nakano, a former police officer wounded in The Joker’s war zone. Plus, mysterious new villain the Mirror rallies others to the anti-vigilante cause, taking to the streets and leading to violent encounters that show no true victor. This final volume of writer Peter J. Tomasi’s run culminates in a battle with Robin, a hostage crisis with Hush, and the dawn of a new era for Gotham City.
In these tales of mystery, Batman is forced to outmaneuver the brilliant minds of his most sadistic, eccentric, and obsessive villains, including the likes of Hush, the Riddler, and the Penguin. Facing the corruption of the GCPD and the mayhem of Arkham Asylum, the Dark Knight must overcome the impossible in order to survive.

Collects Batman #404 and #610, Detective Comics #822 and #824, Batman Annual #2, Batman Universe #1, and the story “Alone” from Batman: Secret Files #2.

Batman: No Man’s Land Omnibus Vol. 1

After a cataclysmic earthquake hits Gotham City, destroying much of its infrastructure, thousands are dead and even more are without homes. The U.S. government declares the city uninhabitable and orders all citizens to leave. Many do. But months later, those who refused to vacate live in the lawless territory now known as “No Man’s Land.”

Forsaken by the rest of the country, the former Gotham is now a citywide turf war of gangs and costumed villains in which the strongest prey on the weak. But with the return of Batman and the appearance of an enigmatic new Batgirl, justice is returning to Gotham.

A CLASSIC SAGA IN HARDCOVER FOR THE FIRST TIME!
Inspired by Charles Dickens’s immortal classic *A Christmas Carol*, *Batman: Noel* takes the Dark Knight on a journey into his own past, present, and future as he battles villains from campy 1960s rivals to dark modern menaces. While Batman fights for his soul in a frozen Gotham landscape, his supporting cast take up recognizable roles analogous to Dickens’s original holiday tale.

Written and drawn by comic book superstar Lee Bermejo (*Batman: Damned*), *Batman: Noel* offers a beautiful and unexpected retelling of a beloved classic.
Christmas. St. Patrick’s Day. Easter. As the calendar’s days stack up, so do the bodies littered in the streets of Gotham City. A murderer is loose, killing only on holidays. The only one who can stop this fiend? The Dark Knight. A murder mystery taking place during Batman’s early days of crime-fighting, Batman: The Long Halloween is one of the greatest Dark Knight stories ever told.

With a new cover by Tim Sale, this deluxe hardcover includes the original 13-issue series, as well as more than 30 pages of behind-the-scenes sketches, interviews, and more.
Acclaimed artist J.H. Williams III reveals the shocking origin of one of comics’ most prominent lesbian characters, collected for the first time ever in one epic omnibus hardcover edition!

Determined to continue serving others after her military career was cut short by bigotry, Kate Kane has taken up the identity of Batwoman, leading a one-woman war on Gotham City’s evil underbelly. Who or what is stealing children from the barrio, and for what vile purpose? How will Kate handle unsettling revelations about her father, Colonel Jacob Kane? And why is a certain government agency suddenly taking an interest in her?

J.H. Williams III’s extensive work on Batwoman saw him play both writer and illustrator. Batwoman Omnibus is a visually stunning collection that includes works from Williams and his frequent collaborators Greg Rucka and W. Haden Blackman—here in their entirety.

Collects Detective Comics #854-863, Batwoman #0 (New 52), Batwoman #0-24, and Batwoman Annual #1.
The Birds of Prey face off against mysterious viruses...and maybe even find themselves the prey.
When Huntress goes AWOL and a techno-virus invades Oracle’s body, Black Canary will have to
team up with Wildcat as they fight for their lives in Singapore...
These Birds will have to work with members of the Bat-Family while battling legendary assassins
and fighting off attacks from inside themselves!
Collects *Birds of Prey* #81-91.
Justice League: Death Metal

Spinning out of the pages of Dark Nights: Death Metal, Nightwing’s on a mission to free the Legion of Doom from Perpetua’s clutches, and he’s formed his own Justice League to do it! Starfire, Cyborg, Hawkgirl, and Detective Chimp team up to fight their way through an Earth twisted by the Dark Multiverse, but they’ll need one more to get the job done…none other than Lex Luthor!

Featuring the talents of superstar writer Joshua Williamson (Infinite Frontier, The Flash) and fan-favorite artists Xermanico (Justice League Dark, Wonder Woman) and Robson Rocha (Aquaman, Supergirl), this volume collects Justice League #53-57.
Sensational Wonder Woman

Celebrating Wonder Woman’s 80th anniversary, Sensational Wonder Woman explores everything that makes Wonder Woman the sensational hero that she is. Sensational Wonder Woman Volume 1 collects issues 1-6 of the series.

Shudder-to-Think, Pennsylvania, has been on fire for years. The woods are full of rabbits with human eyes, a deer woman who stalks hungry girls, and swaths of skinless men. And the people of Shudder-to-Think? Well, they’re not doing so well either.

When El and Octavia wake up in a movie theater with no memory of the last few hours of their lives, the two teenage dirtbags embark on a horrifying journey to uncover the truth about the strange town that they call home.

From critically acclaimed writer Carmen Maria Machado (Her Body and Other Parties) comes The Low, Low Woods, from the smash-hit lineup of the Hill House Comics library. Featuring stunning artwork by Dani (Lucifer), this volume collects The Low, Low Woods #1-6.
In late-19th-century New York, rage builds inside 14-year-old Daphne. The sudden death of her father has left her alone with her grief-stricken mother, who becomes easy prey for a group of occultists promising to contact her dead husband.

While fighting to disentangle her mother from these charlatans, Daphne experiences a genuine supernatural encounter—a strange, insidious presence in her own body. “Brother,” a charming entity with unspeakable appetites, visits her in her dreams and shares his terrifying power with her. A demon? A ghost? Her own hallucination? Daphne can’t be sure what Brother is or what he wants. And even if she knew, could she stop him? Would she want to?

An unsettling, blood-soaked tale from writer Laura Marks (The Good Fight) and artist Kelley Jones (Batman, The Sandman), Daphne Byrne collects the full six-issue miniseries from DC’s smash-hit Hill House Comics library, curated by Joe Hill (NOS4A2, Locke & Key), along with commentary and extras.

On Alice's sixth birthday, she got the gift she didn't know she always wanted: a big, beautiful 19th-century dollhouse, complete with a family of antique dolls. In no time at all, the dollhouse isn't just Alice's favorite toy...it's her whole world. And soon young Alice learns she can magically enter the house to visit a new, heartwarming group of friends: the Dollhouse family.

But in the real world, her family life is much darker...and deep within the Dollhouse's twisting halls, the Black Room waits, with an offer to Alice. The house can fix all this, the room says. All she has to do is say the words...

From writer M.R. Carey (The Girl with All the Gifts, Lucifer) and artist Peter Gross (The Books of Magic), this chilling collection features The Dollhouse Family #1-6 from the smash-hit Hill House Comics Library.
In 1983, a state-of-the-art drilling ship, the Derleth, vanished near the Arctic Circle. Decades later, it has begun sending a distress call…

Tracing the signal to a remote atoll in the Bering Strait, the Rococo oil company hires the Carpenter brothers and their salvage crew to investigate the ghost ship. Joined by a marine biologist and an oil executive, the brothers set out on a grim mission to learn what caused the disappearance and recover the bodies of the crew…only to find that the Derleth’s men aren’t dead! Even if they’re also not quite...alive...anymore.

A surreal and gory celebration of '80s horror, Joe Hill (NOS4A2, Locke & Key) and Stuart Immonen (Amazing Spider-Man, Superman: Secret Identity) dive into unfathomable terrors. Collects #1-6 with exclusive commentary and sketches.

Raised as a daughter by the queen of the Amazons, Diana is different from the rest of her countrywomen. They've all heard the legend of how she was formed from clay by the childless queen—and they treat her like an outcast because of it, no matter how hard she fights for justice as Wonder Woman in the outside world.

But far from the Amazons’ Paradise Island, the gods of Olympus are playing their own dark games. The prodigal sun Apollo is making his move for his father Zeus’s vacant throne, and both vengeful gods and innocent humans are caught in the crossfire.

And at the beating, bloody heart of the conflict? Wonder Woman, and a secret that will shatter everything she thought she knew. She is about to learn the truth about her origin. And when she does, blood will run...

From writer Brian Azzarello (100 Bullets) and artist Cliff Chiang (Paper Girls), Wonder Woman: Blood and Guts The Deluxe Edition collects issues #1-12 of the New 52 Wonder Woman series and behind-the-scenes extras!
For almost a year, Diana of the Amazons has been out of the spotlight—leaving her sister, Donna Troy, to take up the mantle of Wonder Woman! But when Diana finally returns, she goes undercover in her former identity of Diana Prince, acting as a secret agent and member of the Department of Metahuman Affairs. Her first assignment is to save Donna Troy—a challenging task that will force Diana to battle her worst enemies. But will she also retake her role as Wonder Woman?

Acclaimed television writer Allan Heinberg (Grey’s Anatomy, Sex and the City) teams up with the fan-favorite art team of Terry Dodson and Rachel Dodson for an action-filled adventure that will leave Wonder Woman fans breathless!

This deluxe hardcover of Who Is Wonder Woman? collects Wonder Woman #1-4 and Wonder Woman Annual #1, along with sketches and an introduction by writer Brian K. Vaughan.

All six volumes of Saga of the Swamp Thing by Alan Moore, the writer of Watchmen and V for Vendetta, in one gorgeous slipcase box set!

Before Watchmen, Alan Moore made his debut in the U.S. comic book industry with the revitalization of the horror comic book Saga of the Swamp Thing. His deconstruction of the classic monster stretched the creative boundaries of the medium and became one of the most spectacular series in comic book history. With real-life issues explored against a backdrop of horror, Swamp Thing’s stories became commentaries on environmental, political, and social issues, unflinching in their relevance.

Created out of the swamp by a freak accident, Swamp Thing is an elemental creature who uses the forces of nature and wisdom of the plant kingdom to fight the polluted world’s self-destruction. Alan Moore took Swamp Thing to new heights in the 1980s with his unique narrative approach. His provocative and groundbreaking writing, combined with masterly artwork by some of the medium’s top artists, made Swamp Thing one of the great comics of the 20th century.
